## Names

Now you prefer your name to appear when credited. Adding a published name lets you control how your name is displayed in your ORCID record.

**Published name**

Add a published or credit name

**Who can see your names**

Control who can see your given, family and published names by setting the visibility. The default visibility for your names is **Everyone**.

Everyone [▼](#)

**Also known as**

Add other names you may be known by. These can include abbreviated names, middle names, former names or names in a different character set or language. Adding other names can help people find your record.
