# GLOBAL UGRAD

BRINGING EMERGING LEADERS FROM OVER 60 COUNTRIES TO EXPERIENCE U.S. EDUCATION & CULTURE

**World Learning**  
EDUCATION | DEVELOPMENT | EXCHANGE

The Global Undergraduate Exchange Program (Global UGRAD) is a fully funded academic and cultural exchange program designed to increase participants' knowledge and global connectivity. Global UGRAD participants come from 60+ countries and study for a semester at universities across the United States. After the program, participants are higher-achieving students, stronger leaders, and more actively engaged in their communities.

## What Students Gain from Global UGRAD

Leadership Skills | Intercultural Understanding | Networking Opportunities  
Professional Development | Exchange Experience | New Friendships | Community Service

Since 2008, World Learning has facilitated the placement of more than 3,000 global UGRAD students at colleges and universities across the United States. Students participate in one semester of non-degree study and leave the United States with the tools to become leaders in their professions and home communities. They also receive access to grants and professional development resources available only to alumni of U.S. Department of State exchange programs.

Undergraduate students from all fields of study are encouraged to apply. The program is open to all, regardless of gender, religion, sexual orientation, or disability.
