السيد الأستاذ الدكتور /
رئيس جامعة

تحية طيبة وبعد ،،،

أتشرف بأن أرفق لسيادتكم كتاب السيد / المدير التنفيذي لهيئة الخليج للمؤتمرات المتضمن دعوة قيادات التعليم العالي المصرية لحضور المنتدى الثالث لقيادة الفكر التربوي في الشرق الأوسط (METLE) الذي سيعقد في لندن خلال الفترة من ٢٢-٢٣ نوفمبر ٢٠٢٣.

حيث يستطيع المشاركون الانخراط في ورش عمل وحلقات نقاشية تغطي موضوعات العملية التعليمية وتبادل الأفكار حول تشكيل مستقبل التعليم، كما أن أجندة المنتدى ستركز على مساعدة المؤسسات في الابتكار ووضع الاستراتيجيات وتقديم الأدوات التي تدعم التعليم المستدام. رجاء التكرم باتخاذ ما ترونه سيادتكم مناسباً في هذا الشأن.

وتفضلوا بقبول فائق الاحترام،،،

أمين المجلس الأعلى للجامعات

Dear HE Mohamed Ayman Ashour
Minister of Higher Education and Scientific Research,

15/07/2023

Subject: Invitation to the 3rd Middle East Education Thought Leadership Forum (METLF)

We would like to express our heartfelt gratitude for your esteemed support and honorable presence at last year's Middle East Education Thought Leadership Forum (METLF). It is with great pleasure that we extend an invitation for you to join us once again as a distinguished speaker at the 3rd METLF. This esteemed event will take place in London, United Kingdom, from the 22-23 November 2023. We kindly request your assistance in sharing this invitation with Egypt's education leaders, universities, and lecturers to ensure their awareness of this significant opportunity.

The forum serves as a global platform that unites education pioneers, practitioners, and government representatives to engage in dialogue and shape the future of education. Building upon the resounding success of our previous events, this year's forum promises to be even more impactful.

We find ourselves in an era where creativity knows no bounds, and it is within this context that the forum's agenda will focus on assisting institutions in innovating, strategizing, and presenting tools that facilitate sustainable learning environments, catering to the needs of students, faculty, and prospective employers. Furthermore, it will delve into the transformative role of technology in meeting the rapidly evolving educational demands and provisions.

Participants can look forward to engaging in interactive workshops, panel discussions covering a wide range of educational topics, and captivating demonstrations by leading technology providers. The forum will foster dynamic networking opportunities alongside the main agenda, including an exhibition showcasing cutting-edge educational solutions, a Gala Dinner, and the option to schedule individual appointments with relevant associates.

To foster diverse perspectives, we have introduced a call for papers and a poster competition this year, inviting contributions from experts and researchers in the field.

Given the significant government support from the MENA region, we anticipate a high level of participation from education ministers, pioneers, and practitioners from around the world. The METLF serves as a guiding platform for educational development in institutions and countries throughout the region, fostering an environment conducive to successful international partnerships. It is worth highlighting that at METLF 2022, we welcomed delegates and speakers from Africa, including representatives from Ghana, Nigeria, and Sudan. This led to fruitful collaborations and the establishment of strategic partnerships with prominent international companies, governments, and organizations.

We are honored to inform you that the event will also be graced by the presence of Ministers of Education from the MENA region. This diverse gathering will provide a unique opportunity to exchange ideas and explore cutting-edge digital technology solutions, products, and services from around the globe.

Thank you for your kind attention, and we eagerly await your positive response.

Yours sincerely,

Abdelkhalig Mohamed
CEO, Gulf Conferences
